Empowering People to Help People

August 28, 2008

Re: Frontline Aid

Account # : 5074523
Cynthia L. Castano, Program Manager

To Whom It May Concern:

This letter confirms that Frontline Aid was accepted by our Board of Directors as a charitable project of Congressional District Programs (CDP) on 08/28/2008 and therefore shares our nonprofit 501(c)(3), 509(a)(1) federal tax status (Tax ID Number 65-0970090). All donations to this Program are tax deductible and can be made payable to the name of the project.

Our motto, "For every hurt there is a helper", is definitely embodied by this program, and we applaud the charitable efforts, namely; To aid those in need worldwide by creating and/or supporting medical, humanitarian, educational and human rights efforts by way of organizing projects, funding projects in progress by other 501(c)(3) entities, public awareness and advocacy via media projects, public speaking events and educational funding.

All moneys raised by the Program Manager are sent to Congressional District Programs and become the exclusive property of CDP which, for internal operating purposes, allocates the funds to the project named above. The Program Manager is permitted to make recommendations for disbursements which are reviewed by CDP to determine, in its sole discretion, if the proposed disbursement conforms to and advances the tax-exempt mission of CDP.

This program's mission is certainly an example of what our programs are collectively doing: *Empowering People to Help People*.
